ORDER DENYING PETITION FOR WRIT

This is a pro se original petition for a writ of review seeking to challenge several district court orders. The petition, however, was filed without an appendix. Thus, the challenged orders are not before this court, nor are any other documents from the district court proceedings. We cannot review documents that the petitioner has not provided. NRAP 21(a)(4) ("The appendix shall include a copy of any order or opinion, parts of the record before the respondent judge, corporation, commission, board or officer, or any other original document that may be essential to understand the matters set forth in the petition."); *Pan v. Eighth Judicial Dist. Court*, 120 Nev. 222, 229, 88 P.3d 840, 844 (2004) ("If essential

information is left out of the petition and accompanying documentation, we have no way of properly evaluating the petition.”). Accordingly, we deny this petition.

It is so ORDERED.
