ORDER DENYING PETITION

This is a proper person petition for a "writ of supervisory control." Petitioner claims certain errors occurred at a pretrial suppression hearing and questions the effectiveness of his counsel.

We have reviewed the documents on file with this court; we note that petitioner has an appeal pending in this court and is represented by counsel. See Hunsucker v. State, Docket No. 35584. Accordingly, we conclude that petitioner has not demonstrated that he is entitled to relief in this matter. We deny this petition.

It is so ORDERED.¹
