ORDER DISMISSING APPEAL

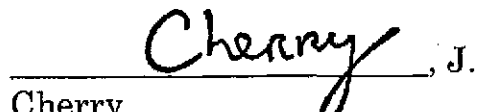

This is a pro se appeal from an order granting a motion to dismiss and denying a motion for sanctions. Eighth Judicial District Court, Clark County; Joanna Kishner, Judge.

Our review of the documents submitted to this court pursuant to NRAP 3(g) reveals a jurisdictional defect. Specifically, the notice of appeal appears to be untimely filed under NRAP 4(a) because it appears that it was filed more than thirty days after service of written notice of entry of the judgment or order. See NRAP 4(a)(1); NRAP 26(c). The order granting the motion to dismiss was entered June 6, 2015. Notice of entry was filed and served by mail on appellant on June 22, 2015. Appellant's notice of appeal was filed October 5, 2015, well after the 30-day period provided in NRAP 4. Accordingly, we conclude that we lack jurisdiction and we

ORDER this appeal DISMISSED.
