ORDER DISMISSING APPEAL

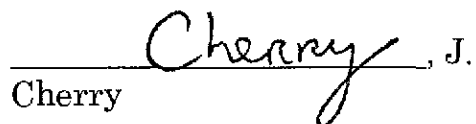

This is a pro se appeal from an order granting a motion to dismiss or in the alternative enforce a settlement agreement. Eighth Judicial District Court, Clark County; Susan Scann, Judge.

Our review of the documents submitted to this court pursuant to NRAP 3(g) reveals a jurisdictional defect. Specifically, the notice of appeal appears to be untimely filed under NRAP 4(a) because it appears that it was filed more than thirty days after service of written notice of entry of the judgment or order. See NRAP 4(a)(1); NRAP 26(c). The district court's order was filed and written notice of entry was served electronically on August 24, 2015. Appellant's notice of appeal was therefore due by September 23, 2015. Appellant filed the notice of appeal on October 5, 2015. Accordingly, we conclude that we lack jurisdiction, and we

ORDER this appeal DISMISSED.
