DEPUTY CLERK

ORDER DISMISSING APPEAL

This is a pro se appeal from an order appellant identifies as “entered in this action on the 24th day of July, 2013.” Eighth Judicial District Court, Clark County; Jessie Elizabeth Walsh, Judge.

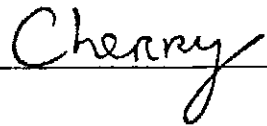

Our review of the documents submitted to this court pursuant to NRAP 3(g) reveals a jurisdictional defect. Specifically, no order entered on or around July 24, 2013, appears in the district court docket entries. Moreover, an order granting summary judgment in favor of respondents appears to have been entered on April 12, 2013, and appellant appealed from that order. *See Scrase v. George's Tire*, Docket No. 63163 (Order of Affirmance, July 24, 2013). To the extent appellant may be seeking rehearing or reconsideration of this court's order, NRAP 40(a)(1) provides that a petition for rehearing must be filed within 18 days after the court's decision has been filed. The time to file a petition for rehearing thus

expired in this case on August 12, 2013. Accordingly, we conclude that we lack jurisdiction over this appeal and we

ORDER this appeal DISMISSED.
