ORDER DENYING PETITION

This original petition for a writ of mandamus or prohibition challenges the adequacy of the notice provided to petitioner pursuant to NRS 172.241(2). Petitioner also seeks a stay of the proceedings below. Having reviewed the petition and supporting documentation, we are not persuaded that this court's intervention by way of extraordinary writ is warranted. Accordingly, we deny the petition and the motion for a stay.

It is so ORDERED.
