ORDER DENYING PETITION

This is a pro se petition for a writ of mandamus. Petitioner seeks an order compelling the district court to order the State to file an answer to his postconviction petition for a writ of habeas corpus.¹ We have reviewed the documents submitted in this matter, and without deciding upon the merits of any claims raised therein, we decline to exercise original jurisdiction in this matter. See NRS 34.160. We are confident that the district court will process and consider all pending matters as expeditiously as the court's calendar permits. Accordingly, we

ORDER the petition DENIED.
