ORDER DENYING PETITION

This is a pro se petition for a writ of mandamus seeking an order directing the district court to resolve a postconviction petition for a writ of habeas corpus challenging the computation of time served. We have reviewed the documents submitted in this matter, and without deciding upon the merits of any claims raised therein, we decline to exercise original jurisdiction in this matter. See NRS 34.160. We are confident that the district court will resolve all pending matters as expeditiously as its calendar permits and the district court will consider any requests by the State for extending the time to respond to the petition in light of the allegedly time-sensitive nature of the claims raised.¹ Accordingly, we

ORDER the petition DENIED.
