*ORDER DENYING PETITION*

This original petition for a writ of mandamus requests this court to order the district court to resolve petitioner's postconviction petition for a writ of habeas corpus. Petitioner argues that the district court has not fulfilled its duty to act in a timely manner in resolving her postconviction petition as no decision has been entered since the evidentiary hearing concluded in August 2014. We have considered the petition and the supporting documents submitted, and we are not satisfied that this court's intervention by way of extraordinary writ is warranted at this time. We are confident that petitioner's postconviction petition will be resolved as expeditiously as the district court's calendar permits. Accordingly, we deny the petition. *See* NRAP 21(b).

It is so ORDERED.
