ORDER DISMISSING APPEAL

This is an appeal from an order granting a writ of restitution. Eighth Judicial District Court, Clark County; Gloria Sturman, Judge.

On November 5, 2015, this court entered an order granting appellant's request to discharge her counsel and to proceed in pro se. We placed this appeal in the court's civil pilot program for parties proceeding without counsel and directed appellant to file a proper person appeal statement within 40 days. The proper person appeal statement was therefore due December 15, 2015. We cautioned appellant that failure to file the proper person appeal statement would result in dismissal of this appeal. Appellant failed to file the civil proper person appeal statement, and on January 6, 2016, we entered another order directing appellant to file the document within 15 days. To date appellant has not filed the civil

proper person appeal statement. Accordingly, we conclude that appellant has abandoned this appeal, and we

ORDER this appeal DISMISSED.
