*ORDER DENYING PETITION FOR WRIT OF MANDAMUS*

This original writ petition challenges a district court's delay in entering an order regarding attorney fees. It appears that the district court has entered the order that was the subject of petitioner's writ petition, and thus the writ petition is moot. *Personhood Nev. v. Bristol*, 126 Nev. 599, 602, 245 P.3d 572, 574 (2010) (noting that this court's duty is to resolve actual controversies). Accordingly, we

ORDER the petition DENIED.<sup>1</sup>

<sup>1</sup>We note that although the petition was filed as an "emergency," petitioner has not demonstrated what irreparable harm would befall him if the relief he seeks is not given within 14 days. NRAP 21(a)(6); NRAP 27(e).
