ORDER OF AFFIRMANCE

This is an appeal from an order of the district court denying a postconviction petition for a writ of habeas corpus. Second Judicial District Court, Washoe County; Scott N. Freeman, Judge.

Appellant Joseph Aliano "seeks the reversal of the district court's dismissal of his Petitions and Supplemental Petition and requests an evidentiary hearing." Aliano, however, merely summarizes the district court's analysis of his claims. He does not allege how the district court erred in denying his petition. Because Aliano raises no claims for this court to consider on appeal, we

ORDER the judgment of the district court AFFIRMED.
