*ORDER DENYING PETITION FOR WRIT OF MANDAMUS*

This original pro se petition for a writ of mandamus seeks to compel the district court to rule on petitioner's "motions to change venue from state to federal court." Having considered the petition and the attached documents, we are not persuaded that our extraordinary and discretionary intervention is warranted at this time. NRS 34.160; *Smith v. Eighth Judicial Dist. Court*, 107 Nev. 674, 677, 679, 818 P.2d 849, 851, 853 (1991). In particular, it is unclear whether petitioner has resubmitted his motions in the First Judicial District Court following a venue transfer from the Eighth Judicial District Court. Once the motions have been resubmitted, we are confident that the First Judicial District Court will timely resolve petitioner's motions. Accordingly, we

ORDER the petition DENIED.
