ORDER DISMISSING APPEAL

This is a pro se appeal. Second Judicial District Court, Washoe County; Elliott A. Sattler, Judge.

Our review of the documents submitted to this court pursuant to NRAP 3(g) reveals a jurisdictional defect. Specifically, we are unable to discern whether this court has jurisdiction to consider the instant appeal because appellants fail to identify any appealable order. Moreover, it appears from the district court docket entries and minutes that the case has been removed to the federal court. Accordingly, it appears that no final judgment has been entered. A notice of appeal filed before entry of a final written judgment is premature and of no effect. See NRAP 4(a)(1); *Rust v. Clark Cty. School District*, 103 Nev. 686, 747 P.2d 1380 (1987). We conclude that we lack jurisdiction, and we
