ORDER DENYING PETITION FOR WRIT OF MANDAMUS

This is an original proper person petition for a writ of mandamus challenging the district court's delay in ruling on a motion to dismiss. Petitioner has failed to supply any relevant documentation in support of the petition. See NRAP 21(a). We are not satisfied that this court's intervention by way of extraordinary relief is warranted at this time. Accordingly, we deny the petition. See NRAP 21(b); State ex rel. Dep't Transp. v. Thompson, 99 Nev. 358, 662 P.2d 1338 (1983).

It is so ORDERED.¹

¹Petitioner has also failed to pay the filing fee required by NRS 2.250. Although petitioner requested a waiver of the filing fee, he included no statement of facts demonstrating good cause to waive the fee. The failure to pay the filing fee constitutes an independent basis for the denial of the petition. See NRAP 21(e). We direct the clerk of this court to amend the caption on this court's docket so that it is consistent with the caption on this order.
