ORDER OF AFFIRMANCE

This is an appeal from an order of the district court denying a motion to modify sentence.¹ Eighth Judicial District Court, Clark County; Elissa F. Cadish, Judge.

Appellant Manny Vallez claims the district court erred by denying his motion to modify sentence. He claims his sentence should be modified because the district court intended him to serve the lowest possible sentence. Vallez failed to demonstrate the district court relied on mistaken assumptions regarding his criminal record that worked to his extreme detriment. See *Edwards v. State*, 112 Nev. 704, 708, 918 P.2d 321, 324 (1996). Therefore, we conclude the district court did not err in denying Vallez's motion. Accordingly, we

ORDER the judgment of the district court AFFIRMED.²

¹This appeal has been submitted for decision without oral argument. NRAP 34(f)(3).

²We also conclude the district court did not abuse its discretion by failing to appoint counsel and the district court's order was sufficient.
