MOHAMED KAMALUDEEN,

vs.
WARDEN, N.N.C.C.; AND THE STATE
OF NEVADA,
Respondents.

No. 69247

ELIZABETH A. BROWN
CLERK OF SUPREME COURT
BY  DEPUTY CLERK

ORDER OF AFFIRMANCE

This is an appeal from a district court order dismissing appellant's postconviction petition for a writ of habeas corpus. Second Judicial District Court, Washoe County; Patrick Flanagan, Judge.

Appellant does not provide any cogent argument to suggest that the district court erred by dismissing his petition and does not request that this court reverse the district court's order. See NRAP 28(a)(10), (11). He merely provides an almost verbatim reproduction of the district court's analysis of his claims. Because appellant has not adequately raised any errors for this court to consider, we

ORDER the judgment of the district court AFFIRMED.
