THE STATE OF NEVADA,

vs.
JONATHON ROY DENNIS,
Respondent.

No. 70687

ELIZABETH A. BROWN
CLERK OF SUPREME COURT
BY  DEPUTY CLERK

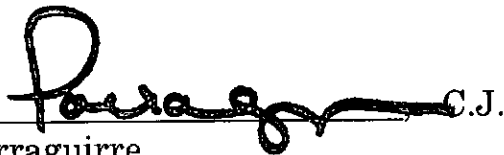

ORDER DISMISSING APPEAL

This is an appeal from a ruling of the district court granting respondent's motion to suppress. Eighth Judicial District Court, Clark County; Elissa F. Cadish, Judge.

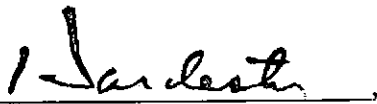

NRS 177.015(2) requires that the State file a notice of appeal in the district court within two judicial days of the district court's ruling. Additionally, the State must file a separate notice of appeal in this court within five judicial days after the ruling by the district court. *See State v. Braidy*, 104 Nev. 669, 765 P.2d 187 (1988); *State v. Loyle*, 101 Nev 65, 66, 692 P.2d 516, 517 (1985). When our preliminary review of this appeal revealed that the State did not timely file a separate notice of appeal in this court, we directed the State to show cause why this appeal should not be dismissed for lack of jurisdiction. In response, the State concedes that it did not file a second notice of appeal in this court within five days of the district court's ruling. Accordingly, because the State failed to fully

comply with the jurisdictional requirements of NRS 177.015(2), we conclude that we lack jurisdiction to consider this appeal and we

ORDER this appeal DISMISSED.
