ORDER DENYING PETITION

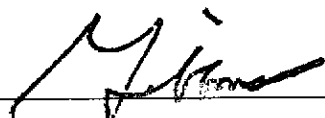

This original petition for a writ of mandamus seeks an order compelling the district court to order the Nevada Department of Corrections to apply statutory credits to petitioner's minimum sentence. We conclude this court's intervention by way of a writ of mandamus is not warranted because petitioner has a plain, speedy, and adequate remedy for challenging the application of credits to his sentence. *See* NRS 34.160; NRS 34.170. Specifically, a postconviction petition filed in the district court for the county in which the petitioner is incarcerated "[i]s the only remedy available to an incarcerated person to challenge the computation of time that the person has served pursuant to a judgment of conviction."

NRS 34.724(2)(c); *see* NRS 34.738(1). Accordingly, without considering the merit of the claim raised, we

ORDER the petition DENIED.
