ORDER DISMISSING APPEAL

This is a pro se appeal from a district court order vacating a minute order dismissing appellant's motion for summary judgment and directing appellant to re-file, re-notice, and re-serve her motion for summary judgment by default. Eighth Judicial District Court, Clark County; Joseph Hardy, Jr., Judge.

Our review of the documents submitted to this court pursuant to NRAP 3(g) reveals a jurisdictional defect. Specifically, it appears that the notice of appeal was prematurely filed, before the entry of a final written judgment, and is therefore of no effect. See NRAP 4(a)(1); *Rust v. Clark Cty. School District*, 103 Nev. 686, 747 P.2d 1380 (1987). The district court's order specifically directs appellant to take further action before the court will enter a final decision. We therefore conclude that we lack jurisdiction, and we
