ORDER DISMISSING APPEALS

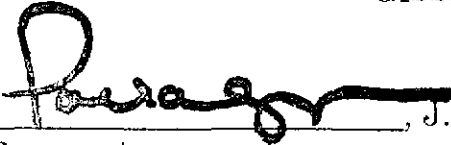

These are pro se appeals from an amended judgment of conviction. Eighth Judicial District Court, Clark County; Susan Johnson, Judge.

Our review of these appeals reveals a jurisdictional defect. It appears that appellant was not aggrieved by the amended judgment of conviction because the district court did not make any substantive changes to the judgment, but simply added the number (NRS 207.010) of the large habitual criminal statute. See NRS 177.015 (only an aggrieved party may appeal). Accordingly, we conclude that we lack jurisdiction over these appeals, and we

ORDER these appeals DISMISSED.
