ORDER DISMISSING APPEAL

This is a pro se appeal from a "district court order granting or denying motion for house arrest." Eighth Judicial District Court, Clark County; Valerie Adair, Judge.

Our review of this appeal reveals jurisdictional defects. Specifically, no statute or court rule provides for an appeal from an order granting or denying a motion for house arrest. *Castillo v. State*, 106 Nev. 349, 352, 792 P.2d 1133, 1135 (1990) (right to appeal is statutory; where no statute or court rule provides for an appeal, no right to appeal exists). Further, review of the district court minutes and docket entries indicate that no such order was entered. To the extent that appellant appeals from the judgment of conviction, the notice of appeal was untimely filed. NRAP 4(b); NRAP 26(a); NRAP 26(c). "[A]n untimely notice of appeal fails to vest jurisdiction in this court." *Lozada v. State*, 110 Nev. 349, 352, 871 P.2d 944, 946 (1994). Accordingly, we

ORDER this appeal DISMISSED.
