ORDER DISMISSING APPEAL

This is a pro se appeal from a purported decision denying a "motion of defendant to inspect all evidence favorable to him." Eighth Judicial District Court, Clark County; Stefany Miley, Judge.

Our review of this appeal reveals jurisdictional defects. Specifically, no statute or court rule permits an appeal from a district court order denying a motion to inspect all evidence. *Castillo v. State*, 106 Nev. 349, 352, 792 P.2d 1133, 1135 (1990) (right to appeal is statutory; where no statute or court rule provides for an appeal, no right to appeal exists). Further, review of the district court minutes and docket entries indicate that no such order was entered. Accordingly, we conclude that we lack jurisdiction to consider this appeal, and we

ORDER this appeal DISMISSED.
