ORDER DISMISSING APPEAL

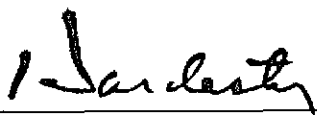

This is a pro se appeal from a district court order confirming an arbitration award. First Judicial District Court, Carson City; James Todd Russell, Judge.

Respondent has filed a motion to dismiss the appeal on the ground that this court lacks jurisdiction. Appellant has not filed a response. Having considered the record and respondent's motion, we grant the motion and dismiss the appeal. The district court ordered the arbitration to be conducted pursuant to the Nevada Arbitration Rules. NAR 19(B) provides that no appeal may be taken from a judgment entered on an arbitration award rendered in court-annexed arbitration when a trial de novo is not sought. Appellant failed to request a trial de novo. NAR 19(B) precludes this court from exercising jurisdiction over this appeal. The district court

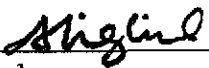

entered judgment, and such a judgment "may not be appealed." NAR 19(B).

Therefore, we

ORDER this appeal DISMISSED.
