*ORDER DENYING PETITION*

This is an original petition for a writ of mandamus seeking an order directing the district court to resolve a petition for a writ of habeas corpus and other documents filed in the district court on March 30, 2017. On October 12, 2017, we directed respondent to file a status report regarding the documents pending in the district court. In response, the district court clerk has provided this court with a copy of the district court order resolving the petition. We conclude our intervention by way of extraordinary relief is not warranted. See NRS 34.160; NRS 34.170. Accordingly, we

ORDER the petition DENIED.
