ORDER DISMISSING APPEAL

This is an appeal from a district court order denying a motion to enforce negotiations and for reduction of plea. Eighth Judicial District Court, Clark County; Michelle Leavitt, Judge.

When our review of this appeal revealed that the challenged order may not be substantively appealable, we ordered appellant to show cause why this appeal should not be dismissed for lack of jurisdiction. See *Castillo v. State*, 106 Nev. 349, 352, 792 P.2d 1133, 1135 (1990) (where no statute or court rule provides for an appeal, no right to appeal exists). In response, appellant states that he does not oppose the dismissal of this appeal for lack of jurisdiction. Because no statute or court rule allows an appeal from a district court order denying a motion to enforce negotiations and for reduction of plea, we conclude that we lack jurisdiction, and we

ORDER this appeal DISMISSED.
