ORDER DISMISSING APPEAL

This is an appeal from a district court order denying postconviction petitions for writs of habeas corpus. Eighth Judicial District Court, Clark County; Elissa F. Cadish, Judge.

Appellant's counsel has filed a supplement to her second motion to voluntarily dismiss this appeal. Because the second motion to dismiss was denied on November 7, 2017, we construe the supplement as a renewed motion to voluntarily dismiss this appeal. Counsel advises this court that her assistant read appellant a letter in which counsel informed appellant of the consequences of dismissing this appeal, including that appellant cannot hereafter seek to reinstate this appeal, and that any issues that were or could have been brought in this appeal are forever waived. Appellant indicated that he understood and wished to dismiss the appeal. Counsel

also provides an unsworn affidavit from appellant stating the same.
Accordingly, cause appearing, we

ORDER this appeal DISMISSED.¹
