ORDER DENYING PETITION

FOR WRIT OF MANDAMUS

This is a proper person petition for a writ of mandamus seeking to compel the respondent district court to resolve petitioner's habeas corpus petition and related motions currently pending before the court. Petitioner claims he initially filed his habeas petition on February 17, 2000.

We have reviewed the documents on file with this court, and we conclude that our intervention by extraordinary writ is not warranted at this time. NRS 34.160. We trust the district court will address and resolve the matters before it as its calendar permits. Accordingly, we deny this petition.

It is so ORDERED.<sup>1</sup>
