CLERK OF SUPREME COURT  
BY S. Young  
DEPUTY CLERK

*ORDER DISMISSING APPEAL*

On February 20, 2018, appellant filed a pro se notice of appeal. The notice of appeal does not designate any district court order. It appears that appellant filed his complaint in district court on February 16, 2018, and then immediately filed the instant notice of appeal, before there had been any action taken in district court. Because appellant has failed to identify any appealable order in his notice of appeal and because it appears no appealable order has been entered in district court, see NRAP 3A, we lack jurisdiction over this appeal, and we

ORDER this appeal DISMISSED.
