ORDER DISMISSING APPEAL

This is a pro se appeal from "the order entered in this Honorable court on or about the 8th day of November, 2017." Eighth Judicial District Court, Clark County; Carolyn Ellsworth, Judge.

Our review of this appeal reveals a jurisdictional defect. Specifically, no order was entered on November 8, 2017. To the extent that appellant appeals from the amended judgment of conviction, no substantive changes were made to the order. The amended judgment of conviction simply corrected the felony category. Thus, appellant is not an aggrieved party. See NRS 177.015 (only an aggrieved party may appeal). Accordingly, we

ORDER this appeal DISMISSED.
