*ORDER DENYING PETITION
FOR WRIT OF MANDAMUS OR PROHIBITION*

This emergency petition for a writ of mandamus or prohibition challenges an anticipated district court order granting, in a contract dispute, a pretrial writ of possession of an 18-wheeler and three trailers.

Having considered this petition, we are not satisfied that this court's intervention by way of extraordinary relief is warranted at this time. *See* NRAP 21(b); *Smith v. Dist. Court*, 107 Nev. 674, 677, 818 P.2d 849, 851 (1991). In particular, it does not appear that the district court has issued a writ of possession without an undertaking at this point, no district court order is included in petitioners' appendix, and petitioners thus have not

demonstrated that the district court failed to comply with statutory requirements. Accordingly, we deny the petition.

It is so ORDERED.
