ORDER DENYING PETITION

This is an original petition for a writ of certiorari seeking an order reversing petitioner Steven Samuel Braunstein's judgment of conviction for two counts of sexual assault of a minor under fourteen years of age. Braunstein raises five claims challenging the validity of his conviction, most of which center around his assertion that the district court lacked jurisdiction to enter the judgment of conviction in 2000 because the court did not act on a motion for a new trial within seven days after the jury returned its verdict. Because Braunstein had a "plain, speedy and adequate remedy" for challenging his judgment of conviction, we decline to consider the petition. NRS 34.020(2). Accordingly, we

ORDER the petition DENIED.
