ORDER DISMISSING APPEAL

This is a proper person appeal from an order of the district court denying appellant's "motion for copy of entire records as listed and for order to be issued by this court to the following person within." Our review of this appeal reveals a jurisdictional defect. The right to appeal is statutory; where no statute or court rule provides for an appeal, no right to appeal exists. See Castillo v. State, 106 Nev. 349, 792 P.2d 1133 (1990). No statute or court rule provides for an appeal from an order denying a "motion for copy of entire records as listed and for order to be issued by this court to the following person within." Accordingly, we

ORDER this appeal dismissed.
