CLERK OF SUPREME COURT  
BY S. Young  
DEPUTY CLERK

*ORDER DENYING PETITION*

This is an original petition for a writ of mandamus and/or prohibition seeking an order directing the district court clerk to provide petitioner Justin Odell Langford with a copy of his presentence investigation report (PSI). Langford asserts he previously requested a copy of the PSI from the district court clerk, but he was informed the PSI was sealed and a court order was required to reproduce it. Langford has provided this court with a copy of a district court order that grants his motion to obtain a copy of a sealed record. Langford asserts that, because the district court clerk provided him with the copy of the order granting his motion to obtain a sealed record, the clerk is aware of the order and should have provided him with a copy of his PSI upon request. Langford has not provided this court with a copy of the letter he sent to the district court clerk requesting a copy of his PSI. Therefore, it is unclear whether Langford referenced, or provided a copy of, the order granting his motion to obtain a copy of a sealed record when he requested the PSI.

We conclude Langford has failed to demonstrate our intervention by way of extraordinary writ is warranted at this time. See *Pan v. Eighth Judicial Dist. Court*, 120 Nev. 222, 228, 88 P.3d 840, 844

(2004) ("Petitioner[ ] carr[ies] the burden of demonstrating that extraordinary relief is warranted."). Specifically, it appears Langford has a plain, speedy, and adequate remedy available to him, *see* NRS 34.170; NRS 34.330, because he can resubmit his request for his PSI to the district court clerk, along with a copy of the order granting him permission to obtain a sealed record. Accordingly, without deciding upon the merits of the claim raised, we

ORDER the petition DENIED.
