ORDER DENYING PETITION

This original petition for a writ of mandamus seeks an order directing the Henderson Municipal Court to reverse and dismiss an order denying Robert Paul Decker's motion for speedy trial and/or an order directing the Henderson Municipal Court to "dismiss all criminal complaints and untried warrants." We have considered the petition, and we are not satisfied this court's intervention by way of extraordinary writ is warranted at this time. *See* NRS 34.160. We note Decker has not provided this court with a copy of the purported order denying his request for speedy trial. *See* NRAP 21(a)(4); *Pan v. Eighth Judicial Dist. Court*, 120 Nev. 222, 228, 88 P.3d 840, 844 (2004) ("Petitioner[] carr[ies] the burden of demonstrating that extraordinary relief is warranted."). Accordingly, without deciding upon the merits of any claims raised, we

ORDER the petition DENIED.
