ORDER DENYING PETITION

This is an original petition for a writ of mandamus seeking an order directing the district court to conduct a hearing on Gary Lee Mogg's postconviction petition for a writ of habeas corpus that challenges the computation of time he has served.¹ We have considered the petition, and we are not satisfied this court's intervention by way of extraordinary writ is warranted. See NRS 34.160. Accordingly, we

ORDER the petition DENIED.
