ORDER DISMISSING APPEAL

This is a pro se appeal from a second amended judgment of conviction.¹ Eighth Judicial District Court, Clark County; Jerry A. Wiese, Judge.

This court's review of this appeal reveals a jurisdictional defect. It appears that appellant was not aggrieved by the second amended judgment of conviction. See NRS 177.015 (only an aggrieved party may appeal). The district court entered an amended judgment to indicate that appellant was sentenced as a habitual criminal under NRS 207.010. Accordingly, we conclude that we lack jurisdiction to consider this appeal, and we

ORDER this appeal DISMISSED.
