ELIZABETH A. BROWN  
CLERK OF SUPREME COURT  
BY  DEPUTY CLERK

*ORDER DENYING PETITION*

This original petition for a writ of mandamus and supplemental petition seek an order directing the district court to resolve Gene Anthony Allen's postconviction petition for a writ of habeas corpus that was filed on July 8, 2003, in district court case number C177427. We have considered the petition, and we conclude this court's intervention by way of extraordinary writ is not warranted. See NRS 34.160. The district court denied the postconviction petition in a written order on February 23, 2004, and the denial of his postconviction petition was affirmed on appeal in Docket No. 42969. Accordingly, we

ORDER the petition and supplemental petition DENIED.
