*ORDER OF AFFIRMANCE*

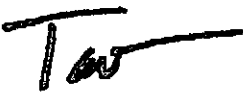

Alfred Christopher Gonzales appeals from a single district court order granting in part and dismissing in part two postconviction petitions for writs of habeas corpus which were filed in four district court cases. We

elect to consolidate these appeals for dispositional purposes.<sup>1</sup> See NRAP 3(b)(2). Fifth Judicial District Court, Nye County; Robert W. Lane, Judge.

The district court determined Gonzales' petitions improperly challenged both the validity of his judgments of conviction and the computation of time served. The district court resolved Gonzales' challenges to the validity of the judgments of conviction by entering amended judgments of conviction in district court cases CR 7978, CR 8172, CR 8176, and CR 8231A. And the district court dismissed Gonzales' challenges to the computation of time served without prejudice. We conclude the district court did not err, see NRS 34.738(3), and we

ORDER the judgment of the district court AFFIRMED.
