ORDER DENYING PETITION

This original petition for a writ of mandamus and/or prohibition challenges the Nevada Board of Parole Commissioner's point system for determining suitability for parole. Gerald Keith Taylor seeks an order "finding that the parole board's 'gender-based point system' is 'wholly unconstitutional' as it is completely 'gender-based discrimination' in open violation of the 'Equal Protection Clause' of the 14th Amendment." We are not satisfied this court's intervention by way of extraordinary relief is warranted at this time. Because Taylor's claim involves issues of fact, he should seek relief in the district court in the first instance. *See Round Hill Gen. Improvement Dist. v. Newman*, 97 Nev. 601, 604, 637 P.2d 534, 536 (1981). Accordingly, we

ORDER the petition DENIED.
