ORDER DISMISSING APPEALS

These are proper person appeals from an order of the district court denying appellant's motion for the appointment of counsel. Our review of these appeals reveals jurisdictional defects. The right to appeal is statutory; where no statute or court rule provides for an appeal, no right to appeal exists. *Castillo v. State*, 106 Nev. 349, 792 P.2d 1133 (1990). No statute or court rule provides for an appeal from an order of the district court denying a motion for the appointment of counsel. Accordingly, we

ORDER these appeals dismissed.
