*ORDER DISMISSING APPEAL*

This is a pro se appeal from a purported decision of the district court. Eighth Judicial District Court, Clark County; Stefany Miley, Judge.

Review of the notice of appeal and documents before this court reveals a jurisdictional defect. Appellant states that “failed timely response or order under statute is the same as a denial of Cobb’s first amendment petition filed June 26, 2018.” But appellant does not identify an appealable order in his notice of appeal. And the district court docket entries indicate that the district court has not entered any written orders in this matter. Accordingly, this court lacks jurisdiction and
