ORDER DENYING PETITION

In this original petition and amended petition for a writ of habeas corpus, Steven Samuel Braunstein challenges his judgment of conviction. Braunstein alleges he has no plain, speedy, or adequate remedy because the district court has applied a prefiling injunction and denied him permission to file his postconviction petition for a writ of habeas corpus in the district court. Braunstein has failed to demonstrate the district court abused its discretion by applying the prefiling injunction, and we decline to exercise our original jurisdiction in this matter. Accordingly, without reaching the merit of any claims raised, we

ORDER the petition DENIED.
