ORDER GRANTING MOTION TO VOLUNTARILY DISMISS APPEAL

This is an appeal from an order of the district court concerning a petition for involuntary commitment.

On June 22, 2001, the parties filed a motion and stipulation that this appeal be voluntarily dismissed pursuant to NRAP 42(b). According to the parties, the Nevada State Legislature passed Assembly Bill 550, which removed the ability of the district attorney's office, pursuant to NRS 433A.160, to issue an order for immediate apprehension and admission of an alleged mentally ill person, and has rendered this appeal moot. Accordingly, we grant the motion and stipulation to voluntarily dismiss this appeal, and we

ORDER this appeal DISMISSED.
