ORDER DISMISSING APPEAL

This is a pro se appeal from a purported district court order denying a motion to modify and/or correct an illegal sentence.

This court's review of this appeal reveals a jurisdictional defect. Specifically, no decision had been made on the motion when appellant filed his appeal on April 15, 2019. Rather, the district court vacated the hearing and reassigned the underlying matter to another department. Thus, the notice of appeal is premature. *See* NRS 177.015(3). Accordingly, this court **ORDERS** this appeal **DISMISSED**.¹
