ORDER DISMISSING APPEAL

This is a proper person appeal from orders of the district court denying the public defender's request for appointment of post-conviction counsel, appellant's pro per motion for appointed post-conviction attorney, and appellant's pro per "motion for objection on the district attorney/motion of denied and/or objected the defendant from his rights to appointment of counsel." Our review of this appeal reveals a jurisdictional defect. The right to appeal is statutory; where no statute or court rule provides for an appeal, no right to appeal exists. *Castillo v. State*, 106 Nev. 349, 792 P.2d 1133 (1990). No statute or court rule provides for an appeal from an order of the district court denying a request and motion for the appointment of post-conviction counsel or a "motion for objection on the district attorney/motion of denied and/or objected the defendant from his rights to appointment of counsel." Accordingly, we

ORDER this appeal dismissed.
