ORDER DENYING PETITION

This is a pro se petition for a writ of mandamus challenging a district court decision to deny a request for the appointment of counsel in postconviction proceedings. Without deciding upon the merits of any claims raised in the documents submitted in this matter, we decline to exercise our original jurisdiction because petitioner has an adequate legal remedy in an appeal from the final decision on his postconviction petition. See NRS 34.160; NRS 34.170. Accordingly, we

ORDER the petition DENIED.
