*ORDER DENYING PETITION*

This is a pro se petition for a writ of prohibition seeking an order barring the district court from empanelling a second jury for a penalty hearing. Having considered the petition and supporting documents, and without deciding upon the merits of any claims raised therein, we conclude that extraordinary relief is not warranted. *See* NRS 34.320; NRS 34.330. We note that petitioner is represented by counsel in the proceedings below and should proceed by and through his counsel. Further, petitioner should present his double jeopardy argument in the district court in the first instance. Accordingly, we

ORDER the petition DENIED.
