ORDER DISMISSING APPEAL

This is an appeal from a "judgement entered...on or about the 27th day of June, 2017." First Judicial District Court, Carson City; James Todd Russell, Judge.

Our review of this appeal reveals a jurisdictional defect. No order, appealable or not, was entered on June 27, 2017. To the extent that the document can be construed as a petition for rehearing of this court's May 9, 2017, Order of Affirmance in Docket No. 71067, it was untimely filed. See NRAP 40(a)(1). Accordingly, we

ORDER this appeal DISMISSED.
