ORDER OF AFFIRMANCE

Shannon Carter appeals from an order of the district court denying the motion for modification of sentence he filed on August 8, 2016.¹ Second Judicial District Court, Washoe County; Janet J. Berry, Judge.

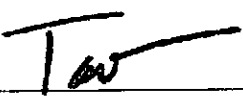

In his motion Carter claimed the district court relied on the presentence investigation report recommendation for sentencing which erroneously included a recommendation for lifetime supervision. Carter claimed this error worked to his extreme detriment and he should be allowed to withdraw his plea or be resentenced. Carter's claim fell outside the narrow scope of claims permissible in a motion to modify. See *Edwards v. State*, 112 Nev. 704, 708, 918 P.2d 321, 324 (1996). Therefore, without considering the merits of any of the claims raised in the motion,

¹This appeal has been submitted for decision without oral argument. NRAP 34(f)(3).

we conclude the district court did not err in denying the motion.
Accordingly, we

ORDER the judgment of the district court AFFIRMED.
